RULES OF PLAY

"OQTIMA WORLD CUP GAME 2026"

TERMS & CONDITIONS

1. "OQtima World Cup Game 2026" (hereinafter referred to as the "Promotion") is a free online football game operated by OQTIMA INT. LTD (hereinafter referred to as 'the Company', 'we', 'us', 'our' or 'OQtima'). The Promotion has two separate stages. Part A covers playing the Game, which is free and open to everyone and does not require an OQtima account. Part B covers claiming a reward, which does require an OQtima trading account. Please read both parts before you play.

---

2 Definitions:

2.1 Game: the OQtima World Cup Game 2026, played free of charge on the official Promotion website.

2.2 Participant: any person who plays the Game. A Participant is not a client of OQtima and no OQtima account is required to be a Participant.

2.3 Client: a Participant who has separately applied for, and holds, a live OQtima MT4/MT5 trading account.

2.4 Reward: the cash coupon described in Part B, and the Leaderboard Prize.

3 Promotion Period:

3.1 Game Period: 23rd July 2026, 00:00:00 – 31st August 2026, 23:59:59 (MT4/MT5 Server Time)

3.2 Coupon Validity Period: 23rd July 2026, 00:00:00 – 31st August 2026, 23:59:59 (MT4/MT5 Server Time). The coupon must be claimed and the trading requirement completed within this window.

STAGE 01

PART A - PLAYING THE GAME

Free to play. No OQtima account, deposit or payment required.

4 Who can play:

4.1 The Game is free to play and is open to individuals aged 18 or over. No OQtima account, no deposit and no payment of any kind is required in order to play.

4.2 Playing the Game does not make you a client of OQtima, does not open a trading account, and does not create any client, investment or contractual relationship with OQtima beyond these Terms. No trading takes place in the Game and no money is at risk.

4.3 To have a run recorded and a score attributed to you, you must provide a valid email address, a nickname and a country of residence inside the Game. This is a Game registration only. It is not an OQtima account application, and it does not oblige you to open one. Runs that are not linked to a Game registration do not qualify for any Reward.

4.4 Game nicknames must consist of letters and numbers only and cannot include special characters.

4.5 Residents of the countries and regions listed in Part B may play the Game but cannot claim a Reward.

5 How the Game is played:

5.1 The Game is played over four knockout rounds: Round of 16, Quarter-Final, Semi-Final and Final. Points accumulate across the rounds played.

5.2 A Participant qualifies for a cash coupon only by winning the Quarter-Final. A Participant eliminated in the Round of 16 or in the Quarter-Final does not qualify for a coupon.

5.3 A Participant who wins the Final may elect to play one optional additional round against the OQtima Boss. If the Participant wins that round the total point score is doubled. If the Participant loses that round the total point score is halved. That round is optional, may be played once only, and the result is final and not reversible.

5.4 Only point scores recorded and validated by OQtima's server-side scoring are recognised. Scores generated, altered or replayed by any client-side, automated or scripted means are void.

5.5 Where a Participant completes more than one qualifying run, the highest validated score applies. Replaying the Game does not entitle a Participant to more than one Reward.

5.6 A public leaderboard ranks Participants by validated point score. The top 3 positions on the final leaderboard at the close of the Game Period receive a Leaderboard Prize.

6 What can be won:

6.1 A qualifying point score earns the right to claim a cash coupon. The coupon has no cash value and cannot be paid out until it is claimed on a live OQtima trading account in accordance with Part B.

Point Score to Coupon Value

FINAL VALIDATED POINTS	COUPON	QUALIFYING DEPOSIT	TRADING REQUIREMENT
Quarter-Final win, up to 999	**USD 25**	USD 20	0.5 standard lots
1,000 – 1,999	**USD 50**	USD 20	1.0 standard lots
2,000 – 2,999	**USD 75**	USD 20	1.5 standard lots
3,000 and above	**USD 100**	USD 20	2.0 standard lots

Leaderboard Prize (Final Standings)

RANK	PRIZE
1st Place	[To be confirmed]
2nd Place	[To be confirmed]
3rd Place	[To be confirmed]

6.2 The maximum cash coupon under this Promotion is USD 100 per Participant. Points scored above 3,000 do not increase the coupon value. One cash coupon may be claimed per Participant.

6.3 The cash coupon and the Leaderboard Prize are independent of one another and neither replaces the other. A Participant may receive both.

STAGE 02

PART B - CLAIMING YOUR REWARD

A live OQtima trading account, KYC verification and a USD 20 deposit are required.

7 Becoming a Client:

7.1 A Reward earned in Part A is an entitlement to claim only. To receive it you must apply for, and be accepted for, a live OQtima MT4/MT5 trading account. Nothing in Part A obliges you to open an account, and you may play the Game and simply not claim.

7.2 Account opening is subject to OQtima's standard application, suitability and compliance requirements, including full KYC verification. OQtima may decline any application at its discretion, in which case no Reward is payable and OQtima has no further obligation to the Participant.

7.3 From the moment an account is opened, the Client is bound by the OQtima Client Agreement, Risk Disclosure Statement and all other legal documents published by the Company, in addition to these Terms. Those documents govern the trading account; these Terms govern the Promotion only. In the event of any conflict in respect of the Promotion, these Terms prevail.

7.4 Rewards cannot be claimed by residents of the following countries and regions: Afghanistan, Albania, American Samoa, Bajo Nuevo Bank, Baker Island, Bangladesh, Barbados, Belarus, Burkina Faso, Cabo Verde, Central Africa Republic, China, Congo, Democratic Republic of the, Congo, Republic of the, Côte d'Ivoire, Crimea, Cuba, Eritrea, Ethiopia, Fiji, Guinea-Bissau, Guam, Haiti, Howland Island, Iraq, Iran, Jamaica, Jarvis Island, Johnston Atoll, Jordan, Kingman Reef, Kyrgyzstan, Lebanon, Liberia, Libya, Mali, Midway Islands, Minor Outlying Islands, Mongolia, Morocco, Mozambique, Myanmar (Burma), Nicaragua, North Korea, Northern Mariana Islands, Pakistan, Palestine, Palmyra Atoll, Panama, Puerto Rico, Russia, Senegal, Seychelles, Sierra Leone, Somalia, Sudan, Sudan, South, Syria, Tajikistan, Turkey, Turkmenistan, U.S.A., Ukraine, United States Virgin Islands, Venezuela, Yemen, Zimbabwe.

7.5 Employees, officers and contractors of the Company and of companies within its group, and members of their immediate families, cannot claim a Reward.

8 Claiming the cash coupon:

8.1 The Participant is issued a Promotion code by WhatsApp, by LINE, by email or through the client portal, to the contact details supplied at Game registration.

8.2 It is the Participant's responsibility to provide correct and complete contact details, including a valid mobile number capable of receiving WhatsApp messages, and, where LINE is the delivery channel, to initiate and maintain an active LINE chat with OQtima. The Participant must ensure they are able to receive these messages throughout the Promotion Period. OQtima is not responsible for a Promotion code that is not received, or is received late, as a result of incorrect, incomplete or unreachable contact details, a number that does not support WhatsApp, a LINE chat that has not been initiated, messages that are blocked, filtered or undelivered, or any other technical factor outside OQtima's control. Non receipt on any of these grounds does not extend the Coupon Validity Period and does not entitle the Participant to any alternative Reward or compensation.

8.3 The Client must deposit at least USD 20 into their OQtima trading account within the Coupon Validity Period. The qualifying deposit is USD 20 for every coupon tier, irrespective of the value of the coupon.

8.4 The Client must apply the Promotion code in the Coupon Center. The coupon is not credited automatically.

8.5 Internal transfers, transfers from another OQtima account, and any credit, bonus or promotional balance do not constitute a qualifying deposit.

8.6 The coupon is credited as cash to the trading account and may take up to two (2) business days from application of the code.

REQUIREMENT	DETAIL
Type of Account	All MT4 & MT5 Live Accounts
Qualification	Win the Quarter-Final in the OQtima World Cup Game
Minimum Deposit Requirement	USD 20 (all coupon tiers)
Coupon Validity	23 July 2026 to 31 August 2026
Eligible Instruments	Forex and Gold
Minimum Holding Time	≥ 2 minutes per position
Trading Volume Required	0.5 to 2.0 standard lots by coupon tier
Number of Rewards	One cash coupon per Participant

Remark:

- Example: a Participant issued a USD 25 coupon must deposit USD 20 and trade 0.5 standard lots. A Participant issued a USD 100 coupon must deposit the same USD 20 and trade 2.0 standard lots.
- The trading volume requirements are as follows:
- Forex and Gold will be calculated as 1 standard lot.
- All other instruments will not be included.
- Positions held for less than 2 minutes, and hedged or offsetting positions, will not be included.

9 Trading requirement and withdrawal:

9.1 The coupon is credited as tradeable cash but is not withdrawable until the trading requirement for the relevant tier has been completed.

9.2 Profits generated by the Client are withdrawable at any time and are not subject to the trading requirement, which applies to the coupon amount only.

9.3 One (1) standard lot equals 100,000 units of the base currency of the instrument traded.

9.4 Once the trading requirement has been completed the coupon becomes withdrawable in full.

9.5 The Client may withdraw their own deposited funds at any time. Withdrawing the qualifying deposit before the trading requirement has been completed does not automatically remove the coupon, and the coupon remains tradeable. OQtima nevertheless reserves the right to remove any coupon that remains unconverted at the coupon validity date, or where it deems the Promotion is being used for a purpose other than genuine trading.

9.6 The coupon is valid until 31st August 2026, 23:59:59 (MT4/MT5 Server Time). If the trading requirement has not been completed by that date, OQtima may remove the unconverted coupon from the trading account. Any profit realised by the Client before removal remains the property of the Client.

Examples:

Example 1: Client A wins the Quarter-Final and is eliminated in the Semi-Final with 470 validated points. Client A is issued a Promotion code for a USD 25 coupon, opens an OQtima account, deposits USD 20, applies the code and trades 0.5 standard lots on Forex and Gold with each position held for more than 2 minutes. The USD 25 becomes withdrawable in full.

Example 2: Client B wins the Final with 1,500 validated points, which corresponds to a USD 50 coupon. Client B elects to play the Boss round and wins, so the score is doubled to 3,000 and Client B is issued a Promotion code for a USD 100 coupon with a 2.0 standard lot requirement. Had Client B lost the Boss round the score would have been halved to 750 and the coupon would have been USD 25.

Example 3: Client C is issued a USD 50 coupon, deposits USD 20, applies the code, trades 0.4 standard lots and then withdraws the USD 20 deposit. The coupon is not removed automatically and remains tradeable. Because the 1.0 standard lot requirement was not completed by the coupon validity date, OQtima may remove the unconverted USD 50. Any profit realised by Client C in the meantime remains the property of Client C.

Example 4: Participant D reaches 5,000 validated points, claims and withdraws a USD 100 coupon in August, and is still first on the final leaderboard at the close. Participant D also receives the Leaderboard Prize. The two Rewards are independent.

10 Leaderboard Prize settlement:

10.1 The final leaderboard is settled once, after the close of the Game Period and following validation of the qualifying scores. OQtima's determination of the final standings is final.

10.2 OQtima will announce the Leaderboard Prize winners within 10 business days of the close of the Game Period and distribute the prizes within 30 business days. Winners must hold a verified live OQtima trading account to receive the prize and must claim it through the client portal.

FULL TIME

GENERAL TERMS

These apply to Part A and Part B.

1. Promotion codes are issued individually and are personal to the Participant. They may not be sold, shared, transferred, published or offered to any third party, and may only be applied to a trading account held in the Participant's own name. Where a Participant shares, publishes, sells or otherwise discloses their Promotion code to any third party, OQtima reserves the right to remove the full coupon value from that Participant's trading account, whether or not the trading requirement has been completed, and to void the code together with any coupon claimed with it by any other person. Where the coupon value has already been withdrawn, OQtima reserves the right to recover it by debiting the trading account or by any other lawful means. This applies equally to any code found in public circulation.
2. One person, one profile, one Reward. The Promotion is limited to one natural person per entry, and the limit applies to the person, not to the registration, the email address or the trading account.
3. Only one OQtima client profile is permitted per person. Opening or holding more than one OQtima client profile is a breach of the OQtima Client Agreement as well as of these Terms. Additional profiles do not create additional entitlement to a Reward.
4. Only one Game registration is permitted per person. A Participant may not register more than once using different email addresses, nicknames, telephone numbers, devices or connections.

5. One Reward of each type may be claimed per person. A person who plays under more than one registration is entitled to no more than a single cash coupon and a single Leaderboard Prize in total.
6. OQtima records and monitors IP addresses, device and browser identifiers, email addresses, telephone numbers, payment instruments and account details throughout the Promotion Period, and may treat any registrations or accounts sharing one or more of these as belonging to the same person or to connected persons. Activity originating from the same IP address or the same device is tracked and reviewed.
7. Where multiple registrations, client profiles or trading accounts are identified as belonging to one person or to connected persons, OQtima reserves the right to void all of the entries and all associated Rewards, not only the duplicates, to remove any coupon value already credited whether or not the trading requirement has been completed, to recover any amount already withdrawn by debiting the trading account or by any other lawful means, and to restrict or close the accounts concerned.
8. Members of the same household who share a device or an internet connection and who wish to take part separately should contact OQtima before claiming, so that their entries can be verified in advance.
9. Introducing Brokers may take part as Participants in their own right but may not claim a Reward on, or in respect of, any client account within their referral tree.
10. The coupon may not be combined with any other OQtima bonus, credit, cashback or promotional offer on the same trading account unless OQtima states otherwise in writing. The coupon may not be transferred between trading accounts or to any third party, and an internal transfer out of the account holding an unconverted coupon may result in removal of that coupon.
11. Participants are allowed to use any trading technique or automated trading system that does not violate these rules. Any arbitrage trading, latency arbitrage, or other abuse of pricing and/or quoting will result in disqualification and forfeiture of the Reward.
12. Malicious hedging, whether on a single account or across multiple accounts, in order to satisfy the trading requirement is prohibited. Monitoring of accounts across different Participants will also be conducted, and results involving malicious hedging behaviour will be forfeited.
13. Discovery of cheating will result in immediate disqualification. This includes automated play, scripts, bots, emulators, multiple Game registrations by one person, or any tampering with the Game, its code or its scoring. Scores flagged by OQtima's validation systems, including extreme scores and patterns consistent with automated play, are held for manual review before any Reward is issued. The Promotion aims to provide a fair and just environment for all Participants, and any behaviour that undermines its fairness and integrity will be deemed invalid.

14. Participants consent to the disclosure and verification of their Game registration details, validated scores and, where a Reward is claimed, their relevant trading information. Personal data submitted through the Game and in connection with the Promotion is processed in accordance with the OQtima Privacy Policy.
15. OQtima reserves the right of final interpretation of the Promotion rules and terms.
16. OQtima reserves the right to investigate any incompliant operations based on reasonable grounds.

    If OQtima finds that a Participant is involved in such operations based on reasonable grounds or suspicion, OQtima reserves the right to deduct, revoke, refuse the Reward or cancel the Participant's qualification.
17. OQtima reserves the right to modify or cancel rules, terms and requirements related to this Promotion without prior notice or Participant's consent.
18. Leveraged products involve significant risks and may not be suitable for all investors. The Promotion does not guarantee any results, and Participants must bear the risks of participation on their own. The Game itself involves no financial risk; the risk warning below applies to trading on an OQtima account under Part B.
19. Participants are responsible for reporting and paying taxes on any Rewards received. The Company is not responsible for withholding taxes or advising on tax obligations. Participants should consult their own tax advisors.
20. The official language in which these Terms and Conditions were drafted is English. OQtima will not be bound by any variation that may derive from the translation of either part or all of these Terms. Any information provided in any other language is for convenience only and shall not have legal effect, nor shall OQtima have any responsibility or liability regarding the correctness of such information.

RISK WARNING

OQtima Int. Ltd. (Company No. 8430031-1), trading as "OQtima", is a financial services company regulated by the Financial Services Authority of Seychelles under license number SD109.
